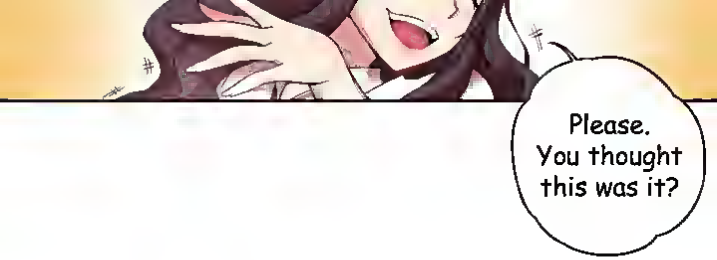
Wh, what?
Nu... Nunim...
Is that all you wanna do to me?
... You seriously have a great sense of humour.
We are still dating you know~?



Please.
You thought
this was it?

It isn't over, not until you fully satisfy my desire for you, my cute Rai-Jin.
Haha~
탁
...Huh?
Well...,

This is clearly not enough love I wanted from you Rai-Jin.

Did you perhaps forget who I am and what I can do?

털썩
Please, Nunim. Forgive me just this one time...

Oh, is that right?
Are...

You truly sincere?

And... then....
